Private equity and venture capital firms, emerging companies, and public and private companies turn to Chris for strategic, practical counsel regarding mergers and acquisitions, securities laws, venture capital, technology matters, and other corporate advice.

OVERVIEW

Chris is a partner in the Health Care & Life Sciences, Technology and Private Equity groups at Troutman Pepper Locke.

He concentrates his practice in mergers and acquisitions, private equity, venture capital, and general corporate matters. His clients include private equity and venture capital firms, emerging companies, and public and private companies.

Chris represents domestic and foreign public and private companies and private equity funds in merger and acquisition transactions. He also represents private equity funds and emerging companies in venture capital, growth equity, and debt financing transactions. In addition, he counsels emerging companies in the life sciences, health care services, and technology industries in general corporate matters.
