OVERVIEW

David focused his practice on counseling mortgage banking clients in the origination, sale and servicing of loan transactions sold to secondary market investors — primarily Fannie Mae and Freddie Mac, as well as other financial institutions and securitization program participants. He was a member of a national team of attorneys and dedicated real estate professionals who provide end-to-end guidance and management for thousands of transactions originated by mortgage lending clients every year. David represented lenders of Fannie Mae's Delegated Underwriting and Servicing (DUS) product line and Freddie Mac's Capital Markets Execution (CME) program. He had significant experience with the full range of agency loan products.
