OVERVIEW

Philip has been helping businesses understand and comply with the complex laws governing employee benefit plans and executive incentive programs for more than 25 years. He has extensive experience dealing with the IRS and the U.S. Department of Labor and resolving plan compliance issues. Philip is a frequent speaker at employee benefit and executive compensation programs.

Philip has extensive experience advising business owners, executives, and high-net-worth individuals in estate planning, as well as trust and estate administration matters.

Philip frequently advises tax-exempt organizations regarding their formation and ongoing compliance matters, including joint ventures with for-profit organizations.

REPRESENTATIVE MATTERS

- Representation of closely held and public companies in resolving issues arising from IRS audits and DOL investigations of employee benefit plans.
- Representation of public, closely held, nonprofit, and governmental employers in the design and implementation of employee benefit, equity incentive, and executive compensation plans.
- Representation of individuals and estates on gift and estate tax controversies.
- Advice regarding the formation and operational compliance of employee stock ownership plans (ESOP) and the negotiation of exempt loans for the purchase of employer stock.
- Advice to a variety of employers regarding HIPAA privacy, non-discrimination, and other health compliance matters.
- Representation of plan investment fiduciaries on ERISA and tax issues related to plan investments.
- Representation of tax-exempt organizations in examinations by the IRS.
- Advice to a variety of employers on controlled group issues and benefit matters arising from acquisitions and dispositions.
- Negotiation of trust agreements, consulting, and administrative services agreements and health insurance contracts on behalf of employers.
- Representation of family members in disputes arising in estate administration and probate.

- Advice to and representation of tax-exempt organization personnel on a variety of compliance requirements, such as lobbying limitations, prohibitions against private inurement, and “excess benefit transactions.”
- Representation of employers and individual participants in alleged “listed transactions” in examinations by the IRS.
