OVERVIEW

Edmund has more than 25 years of experience and primarily works on patent litigation matters. He has supported eight trials within the past 14 years, with many of them occurring within the past five years.

Edmund assists throughout all phases of litigation in federal court, the U.S. Court of International Trade, and state courts. He also supports patent interferences and *inter partes* reviews in the U.S. Patent and Trademark Office and Patent Trial and Appeal Board. In an ever-advancing technological world, Edmund is proficient in the latest discovery management platforms for document collection, review, and production, including, but not limited to, Relativity, Disco, and Reveal, as well as federal and state court electronic filing systems.

TOP AREAS OF FOCUS
