

## Edward H. Starr

Retired Partner

### OVERVIEW

Ed's practice focused on coverage disputes involving most types of insurance, including: comprehensive general liability; property and casualty; fiduciary liability; directors and officers; errors and omissions; life and health; excess and umbrella; surplus lines, workers compensation; automobile; bankers bonds; and reinsurance.

Ed's trial experience included aviation, commercial, construction, medical malpractice, insurance policy litigation, personal injury, product liability, and toxic torts.
