Gene represents publicly traded companies, pharmaceutical firms, technology developers, and private equity funds in corporate governance, capital markets, and high-stakes mergers and acquisitions.

OVERVIEW

Gene brings extensive experience in corporate and securities law, focusing on capital markets, corporate governance, issuer reporting requirements, and mergers and acquisitions. He advises clients on public and private offerings of equity and debt, both domestically and internationally. Gene's practice encompasses general securities advice, SEC reporting obligations, tender offers, and various merger and acquisition transactions, including alternative public offerings such as registered directs and PIPEs.

REPRESENTATIVE MATTERS

- Advised a number of publicly traded companies in their ongoing reporting obligations, corporate governance and compliance matters, financings, and strategic transactions.
- Represented Kronos Worldwide (Kronos), a leading global producer and marketer of value-added titanium dioxide pigments, and certain of its subsidiaries in the issuance of €75 million of Kronos' senior notes due 2029, following the exchange of €276.2 million of Kronos' senior notes due 2029 and cash for €325 million of Kronos' senior notes due 2025.
- Represented Greenbacker Capital Management, LLC, through an affiliated fund, in a \$50 million financing round of Nexus PMG, led by Greenbacker with participation from the Ontario Power Generation Pension Fund and Liberty Mutual Insurance.
- Advised Adams Resources & Energy, Inc., in the repurchase of all shares of Adams common stock owned by KSA Industries, Inc., the company's largest stockholder, and members of the family of the late Kenneth Stanley Adams, Jr., the company's founder.
- Advised Biohaven Pharmaceutical Holding Company Ltd. (NYSE: BHVN) in the sale of its migraine business, including NURTEC® ODT, an innovative dual-acting migraine therapy approved for both acute treatment and episodic prevention of migraine in adults, and zavegepant to Pfizer in a total deal consideration valued at approximately \$13 billion.
- Represented IPG Photonics Corporation, a developer and manufacturer of high-performance fiber lasers and amplifiers, in the sale of its telecom transmission product lines to Lumentum.
- Represented Nabsys in an investment of \$25 million by Hitachi High-Tech Corporation through the issuance

and sale of the client's series B and B-1 units.

- Represented Deutsche Bank in establishing a \$25 million term loan facility in favor of RapidMiner, Inc., that is secured by collateral in the U.S., Hungary, Germany, and UK. Deutsche Bank also made an equity investment in RapidMiner in the form of a warrant to purchase preferred stock.
- Advised Biohaven Pharmaceutical Holding Company Ltd. (NYSE: BHVN) in its acquisition of the remaining 58% interest of Kleo Pharmaceuticals, Inc., which it did not previously own and the execution of an exclusive license agreement with Yale University for a novel extracellular degrader technology licensed from the Spiegel Lab.
