**OVERVIEW**

Lee focuses his practice on real estate acquisition, development, financing, and disposition, with a particular concentration in the area of health care real estate. He has extensive experience in negotiating and preparing a wide variety of office, retail, and industrial leases. Lee also has substantial experience in the oversight of multistate portfolio acquisition and disposition transactions and associated due diligence and logistics coordination. In this role he handles, often on a multistate basis, the real estate aspects of corporate acquisitions and asset purchases (including with respect to residential homebuilder operations).

Lee is a LEED Accredited Professional (LEED-AP), a distinction he earned through the Green Building Certification Institute. As a LEED-AP, he has demonstrated a thorough understanding of green building practices and principles, as well as the LEED Rating System.
