

Gary J. Spahn

Retired Partner

OVERVIEW

Before retiring, Gary had more than 30 years of experience trying cases in state and federal trial and appellate courts in the areas of product liability, personal injury, commercial tort, toxic tort, hazardous waste, and insurance. He also counseled in products liability safety, prevention, risk management, and regulatory compliance, and practiced before the Consumer Products Safety Commission. Gary was the lead counsel in more than 50 trials in product liability, tort liability, complex litigation, and health care law.

Gary handled complex litigation involving wrongful death, catastrophic bodily injury, and large commercial property damage and insurance coverage claims.
