### OVERVIEW

Gary is a veteran restructuring attorney focused on all aspects of bankruptcy, workouts, debtor and creditor law, and general commercial litigation. He represents debtors and creditors in Chapter 11 cases, out-of-court restructurings and litigation. He also represents court appointed receivers, examiners and trustees. Gary's practice primarily involves representing financial institutions and servicers in and out of court in enforcing their rights and remedies. He also analyzes and defends against preference and fraudulent conveyance actions, represents buyers of assets out of bankruptcy and represents landlords and other parties who have leases or contracts with debtors. Gary has deep industry experience particularly with health care, energy, and real estate insolvencies. He also acts as a mediator and arbitrator in cases involving any type of dispute.

### REPRESENTATIVE MATTERS

#### Secured Creditor

- Represented secured creditor owed \$4.1 billion in Chapter 11 of hotel operator.
- Represented secured creditor owed \$88 million in Chapter 11 bankruptcy of regional convenience store chain.
- Represented secured creditor owed \$80 million in Chapter 11 bankruptcy of large shopping center developer.

#### Debtor

- Represented debtor in connection with plan of reorganization of ethanol company.
- Represented debtor in connection with reorganization involving high-end golf country clubs.

#### Buyers, Landlords and Defendants

- Represented defendant in \$5 million preference and fraudulent conveyance action in which a directed verdict was obtained in favor of defendant at trial.
- Represented landlord and other parties to executory contracts.
- Represented buyers in Section 363 sales.

## Trustee

- Represented Chapter 11 and 7 Trustees in liquidation of construction company and real estate company.

## Unsecured Creditor

- Represented large unsecured creditor in four separate Chapter 11 bankruptcies of natural gas marketers.
- Represented Official Committee of Unsecured Creditors in cases involving distribution of plastic pallets and chicken processing.
