OVERVIEW

Heikki supports a diverse range of matters, including government investigations, shareholder class actions, mergers and acquisitions, and other disputes. He advises clients on all phases of discovery – from collection of ESI through review and production, including privilege and quality control. Heikki utilizes Technology Assisted Review (TAR) and AI textual analysis tools to significantly reduce the number of documents reviewed in a case.

Heikki is an experienced eDiscovery attorney who practiced at another major firm before joining eMerge.
