OVERVIEW

Jared is an associate in the firm's Real Estate Practice Group. He concentrates his practice in commercial real estate matters and other corporate business transactions, including the acquisition, sale, development, and financing of industrial, office, and retail properties, and the leasing of office, retail, warehouse, and industrial space, representing both landlords and tenants.

In addition, Jared is experienced in representing higher education institutions in connection with leasing transactions as both landlord and tenant.

Jared previously served as an associate at the firm from 2016 to 2018.
