Jessica represents clients in complex civil matters including multidistrict litigation across a breadth of sectors, including the financial, insurance, pharmaceutical, and health care industries. Her litigation experience spans federal and state courts, and includes representing national and multinational insurers in coverage and bad faith cases, as well as mortgage lenders and loan servicers facing class actions and individual claims under federal statutes, such as the Fair Debt Collection Practices Act and Fair Credit Reporting Act. She defends major corporations, financial institutions, and health care providers against public nuisance, negligence, fraud, RICO, and breach of contract claims.
