D 475.388.0680

OVERVIEW

Justin advises insurance companies in connection with complex coverage disputes across a broad range of first- and third-party coverage lines, including D&O, cyber, tech E&O, lawyers E&O, Bankers Professional Liability, Representations and Warranties, and Collateral Protection Insurance. He has particular experience in D&O and other professional liability insurance, where he has represented clients in mediations arising out of federal securities class action lawsuits, merger objection litigation, and derivative litigation.

Justin also provides insurers with analysis and policy interpretation on a wide array of complex coverage issues. He has experience drafting policy language, endorsements, and insurance-related provisions of transaction documents.
