**OVERVIEW**

Katie assists private equity firms, their portfolio clients, and emerging high-growth companies with a variety of transactional needs. Her experience includes mergers and acquisitions, leveraged buyouts, debt and equity offerings, minority investments, corporate reorganizations, and general corporate counseling. Katie also serves as general outside counsel to both public and private companies, providing comprehensive legal support.

Katie also has experience in public finance, particularly in the issuance of tax-exempt and taxable bonds. She represents issuers and borrowers in general obligation and revenue bond transactions and serves as bond counsel to various cities, towns, and quasi-public agencies.

**REPRESENTATIVE MATTERS**

- Assisted in representing Jumana Capital, a private investment firm, in its acquisition of Ben's Asphalt and Copper State Pavement.
- Assisted in representing Imugene Ltd. in a strategic transaction with Precision Biosciences in which Imugene received a worldwide exclusive license to Precision Bioscience's allogenic CD19 CAR T-cell therapy program for oncology and a related manufacturing facility for total deal consideration valued up to \$227 million.
