**OVERVIEW**

Lauren provides discovery-related support on multiple projects, including internal compliance, regulatory compliance anti-trust review, intellectual property, and securities regulations. She assists with all phases of discovery from first and second level review up to privilege and quality control. Lauren has experience creating privilege logs and assisting with preparation for depositions, in addition to assisting with trial preparation by fulfilling time sensitive tasks to meet court deadlines.

REPRESENTATIVE MATTERS

- Utilized Technology Assisted Review (TAR) to substantially limit the documents being reviewed on multiple cases.
- Drafted a Privileged Counsel/Question document to streamline updated information for the case team in a highly complex breach of contract matter.
