Linda is a strategic advisor to attorneys and clients, focused on strengthening client relationships and advancing growth through client feedback and value-focused solutions.

### OVERVIEW

Linda helps attorneys understand and address client concerns and identify opportunities to expand client relationships through structured client feedback and the firm's Troutman Plus value program. She translates direct client insight into practical, actionable guidance that improves client sentiment and supports relationship growth. Linda works closely with clients' legal operations leaders, providing consulting on a range of issues related to outside counsel management, value and operational efficiency. Her team launched and leads the firm's award-winning Horizons Legal Operations Summit, which convenes legal operations leaders for practical discussion, peer connection and shared learning.

Linda has more than 25 years of legal industry experience, including strategic roles in business development, continuing legal education, and court administration. Known for her ability to connect people and resources, Linda helps attorneys and clients move from insight to action – supporting stronger relationships, clearer strategy and long-term success for both clients and the firm.
