Mahnvir provides comprehensive support to stakeholders as they navigate the complexities of distressed and insolvent situations with a particular focus on directors' duties, intercreditor issues, debt and equity refinancings, distressed mergers and acquisitions and contingency planning.

OVERVIEW

Mahnvir represents clients in a range of sophisticated restructuring, insolvency, banking, and finance matters in the UK and internationally. He works with a wide range of stakeholders, including banks and private credit providers, distressed debt investors, private equity investors, sureties, asset-based lenders, company directors, shareholders, insolvency practitioners, agents and security trustees, and pension schemes.

Mahnvir's experience advising debtors and creditors on all aspects of restructurings, turnarounds, and insolvencies helps clients to mitigate risk and achieve their business goals. He represents both creditors and debtors on all aspects of restructurings, turnarounds, workouts, and insolvencies, and is particularly adept at providing dedicated, timely advice on complex multi-party financial restructurings. Mahnvir has advised on matters in various sectors including oil and gas, retail, automotive, real estate, commodities, construction, infrastructure, and financial services.

Mahnvir works with key creditors on analysing and assessing potential opportunities with a focus on maximising returns and mitigating any downside risks. Clients value his ability to analyse, evaluate, and advise on intercreditor issues, refinancings, schemes of arrangement, restructuring plans, administrations, liquidations and company voluntary arrangements. Mahnvir also helps both businesses and creditors prepare and evaluate contingency plans in times of distress and negotiate the terms necessary to implement corporate reorganisations, workouts, balance sheet restructurings, refinancings, and distressed disposals/acquisitions.

Mahnvir guides boards of directors and other corporate leadership on all aspects of distressed situations, including challenging situations which test directors' obligations to comply with their statutory and fiduciary duties. He has extensive experience restructuring large, syndicated facilities, SME bilateral and ancillary facilities, leveraged and structured debt financing, and advises on distressed debt trading.
