

Mohamed Y. Asker

Associate

New York

mohamed.asker@troutman.com

D 212.704.6474

OVERVIEW

Mohamed leverages his in-depth engineering background to help businesses navigate construction litigation issues. His focus encompasses a wide range of challenges, including change orders, project delays, design issues, material defects, and the enforcement of construction contracts and processes.

Mohamed's construction industry clients include owners, developers, sitework companies, contractors, and subcontractors across a variety of projects.

** Licensed to practice in New Jersey and Pennsylvania. Not admitted in New York.*

REPRESENTATIVE MATTERS

Legal Victories

- Played a pivotal role in securing favorable outcomes for developers and owners facing disputes related to subpar workmanship by contractors and designers.

Construction Payment Disputes

- Managed and resolved high-stakes payment disputes within the construction industry, particularly adept at addressing cases involving defective builds and sitework challenges.

Insurance Settlements

- Negotiated a significant insurance settlement exceeding \$1 million for a client's insurance claims.
