

Nate J. Schumacher

Associate

Washington, D.C.

nate.schumacher@troutman.com

D 202.220.1214

OVERVIEW

Nate focuses his practice on the environmental dimensions of complex corporate and finance transactions, with a particular emphasis on environmental, health, and safety (EHS) risks and regulatory compliance. He advises investors, companies, and financial institutions on environmental liabilities, permitting, and sustainability considerations in mergers and acquisitions, private equity investments, project financings, and securities and notes offerings. Nate has significant experience across the conventional and renewable energy sectors and other environmentally intensive industries.
