REPRESENTATIVE MATTERS

- *ABC Services Group, Inc. v. Health Net of California, Inc., et. al.*, 8:19-cv-00243-DOC (C.D. Cal. June 13, 2022) – Obtained dismissal with prejudice of litigation against Anthem Blue Cross Life and Health Insurance Company, Anthem, Inc., Beacon Health Options, Inc., Beacon Health Strategies, LLC, ValueOptions Federal Services, Inc., and ValueOptions of California, Inc. The plaintiff sought to recover claims on behalf of a closed substance abuse treatment facility. The litigation was initially filed as individual lawsuits in state and federal court against 36 defendants, asserting state law and ERISA claims. The litigation was consolidated in the U.S. District Court for the Central District of California, which granted the defendants' motion to dismiss the plaintiff's first amended complaint. On appeal, the Ninth Circuit Court of Appeals affirmed the dismissal of the state law claims and remanded the ERISA claims to the district court, which dismissed the remaining ERISA claims for lack of standing and failure to cite specific plans and plan terms.
