D +44.20.7861.9038

**OVERVIEW**

Reem primarily handles cross-border disputes, arbitrations, civil fraud, and complex contractual issues. With substantial experience in international litigation, she notably represented the Iraqi government and various Iraqi Ministries, in addition to advising private companies and high-net-worth individuals in civil fraud and asset tracing cases.

Reem's practice spans multiple industries, including aviation, oil and gas, construction, and financial services.

**REPRESENTATIVE MATTERS****International Disputes**

- Acting for the government of Iraq as the lead associate in a high-profile international dispute and subsequent US\$500 million settlement.
- Representing a large oil and gas company in the Court of Appeal and Supreme Court in a corporate dispute between shareholders.
- Acting for a national airline carrier in forfeiture proceedings.
- Advising a partnership in respect of complex rectification proceedings concerning a high-value trust in the Caymanian Courts.

**English Court Proceedings**

- Acting for a company in a complex dispute concerning the repudiation of a commercial contract.
- Acting for a high-net-worth client in a complex construction dispute.
- Acting in SFO and FCA Enforcement proceedings in relation to EURIBOR manipulation.
- Acting for a German company in Commercial Court proceedings in a dispute concerning the supply and design of vessels and associated equipment.

**Civil Fraud**

- Acting for entrepreneurs and high-net-worth individuals in Commercial Court proceedings and advising on the settlement in respect of an action in fraud and breach of contract.
- Acting for governments, companies, and individuals in various proceedings concerning civil fraud and asset tracing.

## **Arbitration**

- Assisted with the representation of a major liquified natural gas company in an international arbitration dispute and related proceedings governed by the ICC regarding long-term gas delivery and a tolling agreement.
- Acting for a U.S. company in an LCIA arbitration relating to a commercial contractual dispute.
- Acting for a partnership in arbitration proceedings against an individual.
- Acting for a Swiss company in UNCITRAL arbitration proceedings in a dispute concerning a desalination plant against various international parties.
- Acting for a global oil and gas trading company in a dispute concerning a joint venture in arbitration proceedings under CiArb Rules.
- Acting for a Canadian corporation in settlement negotiations with a UK company.
- Acting for an international law firm in relation to complex debt recovery proceedings in Arbitration Act 1996 proceedings and related enforcement proceedings in DIFC.
