**OVERVIEW**

Robert focuses on business immigration matters for managers, executives, and professional/technical personnel. He has practiced business immigration law for more than 20 years, and throughout his career, his practice has concentrated on temporary work visas and permanent residency petitions for foreign executives, managers and professionals as well as extraordinary ability workers and artists. His broad client base includes firms in the financial services industry, medical device and pharmaceuticals manufacturing, specialized chemicals manufacturing, and information technology and engineering consultants.
