OVERVIEW

Sam is the director of state attorneys general & government affairs, based in Washington, D.C. He helps clients navigate complex state attorney general matters, including multistate investigations, enforcement actions, and policy initiatives.

Sam coordinates cross-jurisdictional strategy, stakeholder engagement, and response planning, and supports legislative and regulatory advocacy, coalition development, and communications. He is known for practical, results-oriented project management and an ability to align legal, policy, and public-facing considerations to achieve client objectives.
