Susan E. Flint

Retired Partner

OVERVIEW

Susan is a retired partner with more than 25 years of experience leading teams responsible for litigation and regulatory enforcement matters. Susan specialized in issues arising in the financial services industry and represented and provided general and specific legal advice and support for high risk litigation and regulatory issues resulting in favorable results to the client. She defended banking clients in multiple areas including retail and small business banking, complex commercial litigation, third party vendor issues and advised on third party legal process issues.

Susan had significant experience in record retention programs for financial institutions and electronic discovery in complex commercial litigation. Susan was a panelist on litigation discovery issues and was a frequent instructor with the Minnesota Bankers Association and the American Institute of Banking on issues related to the handling of third party legal process.
