

Tamer Tullgren

Counsel

Chicago

tamer.tullgren@troutman.com

D 312.201.2432

Tamer's strategic approach and deep understanding of complex financial and regulatory landscapes help businesses looking to grow and innovate achieve their business objectives.

OVERVIEW

Tamer represents private equity and venture capital firms, as well as public and private companies, in M&A transactions, venture and growth financings, and private fund formation matters. He has extensive experience advising SBICs on investment transactions, fund formation, and regulatory matters.

Tamer's clients range from manufacturers and technology companies to health care providers and financial institutions.

REPRESENTATIVE MATTERS

- Represented Natural Polymers, LLC, an Illinois-based manufacturer of spray polyurethane foam products and systems, in its acquisition by Owens Corning, a leading global building and construction manufacturer.
- Represented YCharts, a cloud-based investment analytics and communications platform, in its growth recapitalization by private equity firm LLR Partners in partnership with YCharts' management team.
- Represented HCAP Partners, a mezzanine debt and private equity firm, in an investment in Lone Star Analysis, a provider of predictive and prescriptive data analytics and analysis.
- Represented RISC Networks, an industry leader in cloud, data center, and network operations analytics, in the company's acquisition by Flexera.
- Represented Biohaven Pharmaceutical Holding Company Ltd. in its completion of an oversubscribed \$80 million private financing.
- Assisted a UK vaccine company and its stockholders (venture capital funds in Sweden, France, the UK, and Switzerland) in a cross-border merger and associated venture capital financing to advance their synthetic vaccines to treat cancer and mutating viruses.
- Represented a private equity fund in mezzanine debt and growth equity investments in a leading home health and hospice services provider.
