OVERVIEW

Thanh focuses on insurance coverage litigation, providing comprehensive coverage analyses on commercial general liability, business auto, commercial property, and environmental claims. She analyzes *Stowers* demands to protect insurers from exposure to excess judgments. Thanh's experience spans various areas, including transportation, construction, hospitality, entertainment, trucking and cargo, and pollution risks, such as asbestos and PFAS. She also handles claims related to hurricanes and other natural disasters.

Thanh's practice encompasses extra contractual and bad faith claims, defending insurers in state and federal courts. She assists in all aspects of litigation, including pretrial, discovery, motion practice, and trial.
