Zach chairs the firm's Insurance Transactional + Regulatory Practice Group and advises clients on their insurance M&A deals and key compliance matters. His experience ranges from cross-border transactions and insurtech compliance to surplus lines regulatory matters.

OVERVIEW

Zach chairs the firm's Insurance Transactional + Regulatory Practice Group. He is a corporate attorney who focuses his practice in insurance and reinsurance regulatory and transactional matters in the U.S. and internationally. Zach guides clients on a wide range of matters, including formation, licensing, regulatory compliance, advertising issues, surplus lines, and filing matters. He works with both insurance and non-insurance entities on transactional matters such as M&A, corporate, departmental, and premium tax filings, annual reports, and affiliate transactions.

Zach's clients include insurance companies (including international surplus lines insurers), insurance agents and brokers, MGAs, reinsurance intermediaries, adjusters and third-party administrators, captives, premium finance companies, special purpose vehicles, risk retention, and risk purchasing groups.

Zach is the co-editor of Troutman Pepper Locke's *Excess and Surplus Lines Law Manual*.
